

Your support makes a difference every day

Dear Friend of Crest Services,

At the heart of Crest Services is our staff, who support and care for members and families each and every day. The care and attention to detail they bring to everything they do make the daily differences that truly empower people and families, giving them the choices that enrich body, mind and spirit. These people and many others, make Crest Services unique.

I would like to share several comments from our dedicated staff members that convey how they feel about working at Crest Services and providing support to persons with disabilities.

“I started at Crest Services as an intern, and now I am an employee, I love this place and would not choose another career.” Another states, “I have been with Crest Services for 8 years and love my work.” And finally, “I love my job, it is very rewarding to work with the amazing members we serve.”

These comments made by staff members illustrate why the Harold W. Kleinpaste Nursing Scholarship Fund was created in 2013. The Fund provides financial assistance to staff members as they pursue an education in the field of nursing. To-date we have raised over \$300,000 toward the Kleinpaste Scholarship Fund, and with your donation we are able to ensure the Scholarship Fund will continue to grow and make a difference in the lives of Crest Services staff and the members we serve.

Today we ask you to show your support and appreciation for these extraordinary people by making a donation to the **Crest Services Harold W. Kleinpaste Nursing Scholarship Fund** by mailing your gift using the enclosed envelope or by donating online at CrestServices.net/scholarship-fund

Thank you for your support,

Sincerely,
