

Your support makes a difference every day

Dear friend of Crest Services,

At Crest Services our goal is to support the members and enable them to live life to the fullest. Realizing this goal would not be possible without the dedicated staff who make a difference every day. These remarkable people empower the members and families, giving them choices that enrich body, mind and spirit and truly make Crest Services unique.

To express our continued support for the staff, Crest Services and ABHM created the Harold W. Kleinpaste Nursing Scholarship Fund. The Fund, established and maintained through donations, provides financial support to Crest Services and ABHM employees as they seek to further their education in the field of nursing.

I would like to share several comments from members that characterizes how many feel about the Crest Services staff and the support they receive:

“The Crest staff helps get me out into the community like going to the mall, YMCA, even girl’s night out.”

“Getting to appointments, or go shopping, the staff always helps me get there.”

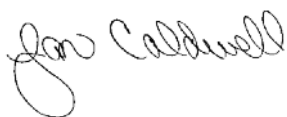

“With help from the staff I can keep in touch with all my friends.”

With your gift to the Harold W. Kleinpaste Nursing Scholarship Fund you help make a difference in the lives of Crest Services members and staff alike, and continue to make our program a success.

Mail in your donation today by using the enclosed envelope or donate online at www.CrestServices.org/scholarship
